

# HANDICAPPED ACCESSIBLE ITEMS AVAILABLE AT ROCKINGHAM COUNTY VOTING LOCATIONS

-All Rockingham County Voting Locations are ADA Accessible and provide many helpful items to accommodate the various needs of Voters.

- **Automark Voting Machine**  
-Voting Machine available to assist Voters with marking their ballot.
- **Clipboards**  
-Clipboards can be used to steady forms that need to be signed and are also used to assist Voters who are voting Curbside.
- **Curbside Alarms**  
-When a Curbside Voter pulls into a Curbside Voting Parking Space, the Curbside Alarm will ring inside of the Voting Location to alert Election Officials that there is a Curbside Voter.
- **Handicapped Booths**  
-Handicapped Booths are lower and wider than Regular Voting Booths to accommodate Voters in wheelchairs.
- **Hearing Amplifiers**  
-Hearing Amplifiers can be worn by a Voter if they are hard of hearing.
- **Legal Pads**  
-Legal Pads are available for Voters who may need to communicate with Election Officials by writing.
- **Magnifiers (Bar, Dome, Flat, Lighted)**  
-Magnifiers can be used by Voters who have vision problems or disabilities.
- **Measuring Tapes**  
-Measuring Tapes are used by Election Officials to ensure that all pathways are wide enough for wheelchair access.
- **Pens**  
-Pens are available for Voters who may need to communicate with Elections Officials by writing.
- **Rulers**  
-Rulers can be used to assist a Voter in keeping their place when reading forms or signing documents.
- **Signs**  
-Much of the signage in our Voting Locations have pictures to assist Voters who need visual aids.
